Malta Business Awards 3rd edition and informative webinar

Following the success of the first two editions, alongside the Malta Chamber of SMEs, Malta Enterprise has launched the Malta Business Awards. 23 companies shall be awarded at this year's prestigious ceremony taking place on the 15th of November. The awards are split into 4 categories: Distinct Initiatives, Innovation and Sustainability ambassador, Celebrating Business and National Transport awards.

Malta Enterprise encourages all businesses to take a close look at the different categories and to apply by the 7th of August on <https://maltabusinessawards.mt>

MOU signed between Malta Enterprise and Malta Food Agency

Malta Enterprise signed a Memorandum of Understanding (MOU) with The Malta Food Agency to collaboratively identify and develop initiatives that support the agriculture and aquaculture sectors, and to pave the way for further collaboration in the future. This partnership will offer new support and create significant opportunities for entrepreneurs, farmers, fishermen, and local food producers.

This agreement shall also lead to collaboration and capacity-building for industry stakeholders, and joint research projects to boost sector competitiveness and support entrepreneurs innovating this sector, producers and exporters.

Successful London Tech Week presence for Malta

Malta Enterprise in collaboration with Malta Digital Innovation Authority, Techmt FinanceMalta and GamingMalta successfully participated in London Tech Week under the inMalta brand, proudly representing Malta alongside 12 innovative companies showcasing their innovative services from AI to Fintech.

The event was a great success, offering opportunities for networking, collaboration, and showcasing the dynamic tech sector in Malta.

Malta to feature on Startup Genome benchmarking report

Malta Enterprise, shall be advancing its efforts to promote the local startup and scaleup ecosystem via a collaboration with Startup Genome – who publish the yearly 2024 Global Startup Ecosystem Report (GSER).

The **2024 Global Startup Ecosystem Report (GSER)** is powered by the world's most quality-controlled dataset on startup ecosystems, analyzes data from over 4.5 million companies across 300+ entrepreneurial innovation ecosystems.

Malta shall start featuring in the report as from next year after talks between Malta Enterprise and Startup Genome.

ME schemes explained at 'Flow' - Digital Transformation Event

Malta Enterprise supported Flow Digital Transformation Event, exploring the latest trends and innovations in Digital Transformation. The event was the perfect opportunity to learn and discover how you can apply digital strategies for one's business.

Malta Enterprise shared insights on successful digital transformation projects and highlighted schemes which are administered by Malta Enterprise which can support such change. Interested companies are always encouraged to reach Malta Enterprise on 144 or via email on info@businessfirst.com.mt

Premju Ġieħ I-Artiġjanat Malti 2024

The Awards ceremony for Premju Ġieħ I-Artiġjanat Malti 2024, organised by Malta Crafts Foundation on July 3rd, 2024, recognized excellence in craftsmanship, innovative product ideas, and key contributions to the sector.

During the presentation of one of the awards, Malta Enterprise CEO, Kurt Farrugia invited artisans to approach Malta Enterprise and take advantage of the help that our schemes can offer. He also encouraged the use of technology to preserve our past and ensure a viable future for these traditions.
